## COVERAGE

This brochure is a brief description of the benefits provided through **Wartburg College** for full time undergraduate domestic students for the 2010-2011 academic year.

## PARTICIPATION

Participation in the **College Student Accident & Sickness Plan** is required unless you complete the online waiver, identifying comparable coverage by September 15, 2010. **The waiver deadline date is strictly enforced.**

Students with a large **deductible** on their primary insurance plan or an HMO or PPO plan that excludes all out-of-network services should seriously consider purchasing the **College Student Accident & Sickness Plan**. This plan may reimburse co-payments or deductibles that you are required to pay under your primary insurance plan. Your participation in this plan will provide additional coverage that can help fill the gaps of your current health insurance policy.

## ELIGIBILITY

Every full-time undergraduate domestic student is automatically enrolled in the **College Student Accident & Sickness Plan** covering **sickness** as well as **accidents** for a full 12 months. The policy term will cover enrolled students who purchase this coverage from August 15, 2010 through August 14, 2011. The **College Student Accident & Sickness Plan** is provided at an annual cost of \$268 per student. This includes a fee for administration of the program.

To be a Covered Person under this Policy, the student must have paid the required premium and actively attended classes for at least the first 31 days from their effective date of coverage, or the entire period for which coverage is purchased, whichever is the lesser, except in the case of medical withdrawal.

The company maintains its right to investigate student status and attendance records to verify that the policy eligibility requirements have been met.

**NOTE:** This is not a major medical health plan, the benefits are very limited.

## EXCESS COVERAGE PROVISION

Your benefits are payable for **covered expenses** not otherwise covered and payable by any other plan providing medical expense benefits. If there are no other valid and collectible benefits available from any other source, this plan will pay the **covered expenses** up to the limits of the policy.

## REFUND PROVISION

In the event a **covered person** leaves school to enter active military service, coverage will cease and a pro-rata refund of premium will be made upon written request.

## SUBROGATION

When benefits are paid to or for a **covered person** under the terms of this policy, we shall be subrogated, unless otherwise prohibited by law, to the rights of recovery of such person against any person who might acknowledge liability or is found legally liable by a Court of competent jurisdiction for the **sickness** or **injury** that necessitated the hospitalization or the medical or the surgical treatment for which the benefits were paid. Such subrogation rights shall extend only to the recovery by us of the benefits we have paid for such hospitalization and treatment and we shall pay fees and costs associated with such recovery.

The **covered person** agrees to transfer their rights to us. We will exercise such rights on their behalf. The **covered person** further agrees to furnish us with all relevant information and documents pertaining to the subrogation.
