

Wartburg College

Requirements for Mathematics Major

(11 course credits)

Mathematics Electives (select 5)

MA 300

Foundations of Analysis

MA 302

Algebraic Structures

MA 303

Discrete Structures

MA 304

Modern Geometries

MA 305

Advanced Calculus

MA 307

Mathematical Modeling

MA 313

Probability & Statistics

MA 314

Statistical Applications

MA 371, 372

Math Internship

MA 401

Differential Equations

MA 402

Analytic Mechanics

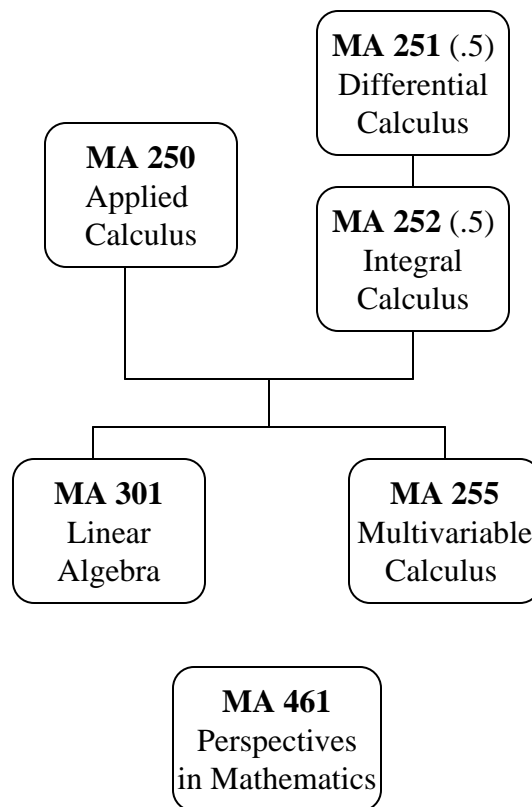

MA 403

Complex Variables

MA409

Numerical Analysis

Mathematics Required Core

Computer Science Support

CS 120
