

## Welcome to Wartburg College

# New Student Orientation 2010

### **We are excited you have chosen to become a Wartburg Knight!**

Congratulations on your new start as a Knight! We are excited that you are joining the Wartburg community. The staff, faculty and students are ready to assist you during orientation and your time here.

You may already know the ins and outs of college life. However, orientation will help you become acquainted with Wartburg specifically. Members of the staff and student body are available to answer questions concerning student life, class registration, residential life, campus activities and much more.

We will meet **Friday, Jan. 8, at 1 p.m.** in the Student Center Ballrooms (Saemann Student Center, second floor) for the first portion of orientation. Dinner will be provided.

Parents and other family members are welcome to join you as you move in and begin life at Wartburg. Their questions are important ones and we are available to your family as well as to you. Please let me know how I can assist you.

Welcome to Wartburg!

Sarah Glascock

Director of Campus Programming
